**TRADITIONS CHECKLIST** from the AA Grapevine: These questions were originally published in the AA Grapevine in conjunction with a series on the Twelve Traditions that began in November 1969 and ran through September 1971. While they were originally intended primarily for individual use, many AA groups have since used them as a basis for wider discussion. Practice These Principles. . .

**Tradition Twelve: Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.**

1. Why is it a good idea for me to place the common welfare of all AA members before individual welfare? What would happen to me if AA as a whole disappeared?
2. When I do not trust AA's current servants, who do I wish had the authority to straighten them out?
3. In my opinions of, and remarks about other AAs, am I implying membership requirements other than a desire to stay sober?
4. Do I ever try to get a certain AA group to conform to my standards, not its own?
5. Have I a personal responsibility in helping an AA group fulfill its primary purpose? What is my part?
6. Does my personal behavior reflect the Sixth Tradition -- or belie it?
7. Do I do all I can do to support AA financially? When is the last time I anonymously gave away a Grapevine subscription?
8. Do I complain about certain AAs' behavior -- especially if they are paid to work for AA? Who made me so smart?
9. Do I fulfill all AA responsibilities in such a way as to please privately even my own conscience? Really?
10. Do my utterances always reflect the Tenth Tradition, or do I give AA critics real ammunition?
11. Should I keep my AA membership a secret, or reveal it in private conversation when that may help another alcoholic (and therefore me)? Is my brand of AA so attractive that other drunks want it?
12. What is the real importance of me among more than a million AAs? — c. THE AA GRAPEVINE INC
