

Note about Meeting Passwords:

Area 43 recommends that all AA Groups in New Hampshire use a standard password for virtual meetings: districtX, where X = the number of the district in which the group is located. As an example, a group in District 99 would use the password district99, on all Zoom meetings.

By group conscience, some groups choose to use a non-standard password, or no password at all.

Please use the list below to access the district number of the town that the meeting you wish to join is in.

Table 3 District Group Information**District and Town Information**

Town	Dist	Town	Dist	Town	Dist	Town	Dist
