##### **News**

##### **AA Literature Price Increase**

**Effective April 3, 2023 there will be a 20% price increase on all AAWS books and a 30% price increase on all pamphlets.**

For historical reference, the last price increases were in 2009 (33.3%) and again in 2014 (18.75%). Every time I buy groceries, I am reminded that inflation is REAL. Everything increased in price during the pandemic, and the increases just keep coming. The cost to print our books has dramatically increased. AA held off as long as possible, but the increase is finally arriving on April 3<sup>rd</sup>.

Massive stock available at the Service Office. Books are stacked to the ceiling. Get them NOW and be glad you saved \$

Literature will be for Sale at the Convention next weekend. Bring a big bag 😊
