

## Delegate's Report May 2024

### Area 43 AA

A sincere thank you to District 20 for hosting today's Post Conference Delegate Report Back. This has been an amazing opportunity to meet in person as well as hybrid with members of Area 43 to share the most recent decisions of the 74<sup>th</sup> General Service Conference. The power point will be posted on nhaa.net in the near future for those who were unable to attend.

**Calling all DCMs!:** In the month of June I will be delighted to come give "mini report backs" to districts, and offer a chance to answer questions. So far I have dates locked in for: districts 8,9,12,13 and 20. This can be in person or virtually. **Email me**, at [delegate@nhaa.net](mailto:delegate@nhaa.net). I will be working with our Alt Delegate Justin R. on this as well. It will be another great opportunity to visit districts.

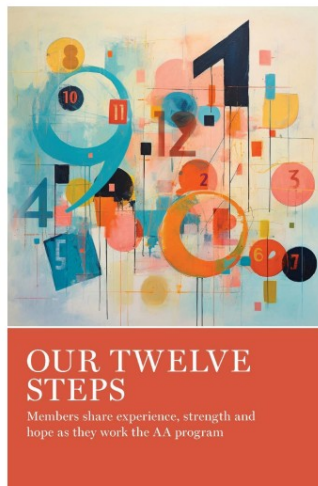

**Cooperation with the Professional Community:** I look forward to teaming up with our PICPC Chairperson at the June 11<sup>th</sup> event in Concord, NH.

**Literature:** The Plain Language Book Draft was passed at the General Service Conference and has been sent to the Trustees Committee for review. Date for publication TBD, possibly sometime in the fall.

**Treatment and Accessibilities:** Progress is being made regarding the Military Audio Project, to include recordings from members in the Canadian military forces.

**AA Grapevine:** The A.A. Grapevine Board of Directors is exploring ways to increase the app information, Fellowship participation as well as subscriptions. Websites, podcasts and social media channels are contributing to increased online presence.
